A notice about photographs

There will be photographs taken by a 'camp camera' and these will be circulated on our return. Please indicate on the reply slip if you do not wish your child to be photographed. These photos will be used in the newsletter and potentially on college promotional materials. These pictures may also be used on social media, specifically the official Facebook and Twitter pages for the Academy.

Behaviour

Students are expected to follow the Academy behaviour expectations during camp. In exceptional circumstances, where behaviour fails to meet these expectations then you will need to come and collect your child from camp immediately.

Introduction to enrichment

As an academy, we are passionate about children experiencing a wide, well-rounded education that we are thinking of ways to provide as many enrichment type activities and opportunities as possible for all students.

One of the opportunities we want to provide the children is to go on a residential camp. We anticipate this to become an annual event for year 7 students but are inviting years 7 and 8 this year to two separate camps.

Emergency contact details

Whilst on the trip, a member of staff will have the following mobile phone **07891 191882**

Students will have access to this phone, should they have an appropriate reason to call home.

Prior to camp please contact Jo Gibson on jgibson@cowesec.org if you have any questions or queries.

A quick note about students mobile phones

Camp is about experiencing the great outdoors. We have said no phones on camp so any loss or damage would not be covered by the school. There will not be any Wi-Fi at camp and the 3G/4G signal is not great at Shalfleet. We would appreciate parents support with this.

Staff responsibilities

Camp co-ordinators	Charlene Davis and Jo Gibson
Food	Natalie Bracegirdle

Other information

- Except shooting and Archery CEC staff will lead all other activities.
- Students stay in their group with their 3 staff for each activity and all meal times.
- We are preparing all food on the Saturday before camp and we are setting up the camp on the Sunday afternoon.
- All staff have Food Hygiene Certificates and there are a team of first aid trained staff on the trip.
- Staff will use walkie-talkies to communicate on camp.
- There is a bunk house seating 32 Children. 2 adults will be sleeping here.
- Overnight there will be two members of staff that are awake. One patrolling and one outside the 1:1 SEN students tent.

Some points after the meeting on 16/05/18

- All food and drink is provided at camp
- There will be a Tuck Shop where students can buy some sweets but they will only need a small amount of money for that.
- If students don't have a tent within their friendship group then let Miss Gibson know as staff have some tents they are happy to lend out.
- Camp is not compulsory but we would encourage as many students to go as possible.
- We are meeting at Corfe camp.
- Timings are at the top of the schedules above.
- If students are not staying over then please indicate on the reply slip what time you will pick them up. This needs to be either just before or just after dinner.
- We will still be going if it rains. The activities may need to be adapted if it rains but we will be camping in all weathers.

I would request that all parents and children attend the meeting on Wednesday 6th June at 6:30pm.
